**DETAILED ACTION**

**EXAMINER'S AMENDMENT**

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Arik B. Ranson on 9/20/05.

The application has been amended as follows: in claim 1, lines 3, between "determining center coordinates" and "of the coin" please insert \_\_and radius\_\_.

In claim 1, line 6, after "the determined center coordinates" please insert \_\_and the radius\_\_.

Please cancel claim 3.

In claim 4, line 3, between "determining center coordinates" and "of the coin" please insert \_\_and radius\_\_.

In claim 4, line 8, after "center coordinates" please insert \_\_the radius\_\_.

In claim 7, line 3, please delete "a radius" and insert \_\_the radius\_\_.

In claims 7, line 6, between "the center coordinates and" "radius" please insert \_\_the\_\_.

***Allowable Subject Matter***

In light of Remarks filed on 4/8/2005 and incorporating the allowable subject matter in independent claims 1 and 4, pending claims 1, 4-5, and 7 are now in condition for allowance.

***REASON FOR ALLOWANCE***

2. The following is an examiner's statement of reasons for allowance: as to independent claims 1 and 4, the closest prior art of Homma alone or in combination with other prior art fails to teach or fairly suggest the method/device as claimed in claims 1 and 4, in particular the key distinction between the closest prior art of Homma and the instant claimed invention is that Homma does not rely upon determining center coordinates and radius of the coin on the basis of the obtained surface image and extracting from the obtained surface image a previously set particular threshold calculation range on the basis of the determined center coordinates and the radius, in combination with other elements as required by the independent claims 1 and 4.

Accordingly, claims 1, 4-5 and 7 are allowed (hereafter claims 1-4).

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
